

FAMILY SACRAMENT PREPARATION PLEDGE

The Sacrament of Confirmation preparation process is a journey in which the Confirmation Candidate together with their family will strive to deepen their faith, encounter the Lord more fully, and be open to receiving the graces necessary for Catholic family living. Not only is this a time of reflection on personal faith but also calls for more active participation in the life of the Church.

We will commit to the following to the best of our ability:

1. Attend Sunday Mass weekly at a Roman Catholic Church as well as on Holy Days of Obligation.
2. Attend the scheduled meeting as a family with one of our Priests or Deacon.
3. Attend all Preparation Sessions, Meetings, Mini-Retreats, and Retreat as outlined in the chosen sacrament preparation schedule.

Confirmation Candidate

I, _____, have read along with my Parent(s)/Guardian(s) and understand the Confirmation Preparation Process, and I choose to enter into it as presented. I am ready to enter into this journey leading me to the Sacrament of Confirmation with my parent(s)/guardian(s), sponsor, faith community, and fellow candidates. I will complete the process set forth and allow the Holy Spirit to strengthen me and lead me to Confirmation. I understand that receiving Confirmation is not an end to my faith formation and participation in the life of the Church, including Sunday Mass.

Parent(s)/Guardian(s)

I have read along with my child and understand the Confirmation Preparation Process. As a fulfillment of the promise made during my child's Baptism, I will participate, support, and encourage my child throughout this process. I will pray for them and through my example will witness the faith of the Catholic Church. Further, I will support the Pastor, Pastoral Team, and Confirmation Team in their efforts in preparation for the Sacrament of Confirmation. I understand that my child receiving Confirmation is not an end to their faith formation and participation in the life of the Church, including Sunday Mass, but an ongoing journey to a deeper relationship with Christ.

Please sign below and bring this and your preparation session choice (please write it on the back) to the Priest/Deacon meeting. By not returning the signed Pledge and not attending the meeting, it will be understood that you are not able to begin the preparation process at this time.
